WELCOME

to the

CORAL COAST CHRISTIAN CHURCH

If you are visiting with us today, we welcome you and invite you to sign our Visitor's Book.

The restrooms are on the southern side of the hall, with entry off the veranda.

There are baby-change facilities in the Toilet for People with Disabilities.

Checking-In on Sundays

The church has implemented the Queensland Government's Check-In-Queensland QR code system, for the listing of 'patrons' to the church buildings. This means that when you enter the church auditorium, hall, or office – on any day of the week – you are to log your attendance with the QR code.

If you have not yet downloaded the Check-In-Queensland QR code app to your smart phone, please do so ... after all, you are now supposed to register your attendance using this app when you enter any indoor public space. If you do not have a smart phone, we will manually enter your details on an electronic device when you arrive on Sunday mornings and then submit that to Queensland Health's COVID-19 tracing section.

Membership Voting

Of the 24 members attending Church last week, 24 members voted in favour of accepting into fellowship, Jon and Leah Belmonte, and Glennis Devlin. They will be formally welcomed into fellowship this morning by one of our elders.

Prayer Points

- Continue to pray for Pastor Phillip and Linda to be able to quickly sell their house in Ipswich so that they can purchase a house in our area. Thank God that temporary accommodation has been found for the Monteith family who will be arriving in our area on 7 or 8 January, but be in prayer that they will be able to find the right house to buy as soon as possible.
- Ask God to anoint Pastor Phillip and prepare him for his ministry within our church and into our community. Pray that he will quickly settle into the role, and have clear leading from the Lord as to the new directions and vision for our church.
- Pray for our Church Leaders that they will have wisdom and direction from the Lord.
- Pray for Pastor Brian and Caroline as they seek Gods direction for their future.
- Thank God that new variant of COVID-19 – called Omicron – is proving to be less virulent and less life-endangering than initially thought, and pray that this strain of the virus will not result in renewed restrictions around the world.
- Pray for the people who have tested positive in our community that they might recover and not infect others.
- Pray for wisdom for our State Leaders as they govern our State of Queensland and seek to manage increasing numbers of COVID cases.
- Give thanks for our Worship Team as they lead us each Sunday.
- Pray for new people to be drawn into our fellowship.
- Pray for the outreaches of our Church that they might be effective in reaching outsiders for the Lord – Bubs'n'Kids, Men's Shed, Men's Casual Dinners, Ladies Morning Teas, Ladies Bible Study, and Club 3:33.
- Remember the work of Scripture Union Queensland in prayer, asking for God's provision of funds for the chaplaincy and camping programs, and for His guidance and blessing on Peter James and the SUQ leadership team. Pray too that SU will manage to find new chaplains to fill vacancies caused by the departure of a number of chaplains over the COVID vaccination mandate.
- There has been a build-up of Russian military forces on the border with Ukraine. Pray that Russia will not invade Ukraine – which is aligned with the West – and thereby prompt a more widespread conflict. Pray that Russian President Vladimir Putin will heed the warning from US President Joe Biden, and pray that the USA and other Western countries will honour their promises to Ukraine if Russia does 'cross the line.
- The last couple of sitting weeks of Federal Parliament were somewhat chaotic for the government, and a number of important pieces of legislation were stalled. Pray that when Parliament resumes in February, the government will be able to get through the proposed religious freedom laws, the
